4. CONTRACT: Performance will commence upon acceptance of Buyer’s contract from the Seller. The contract shall identify the item(s) to be provided by Seller, unit quantities, part numbers, descriptions, applicable prices, method of shipment and requested delivery dates, as well as any flow-down terms that may be required by the U.S. Government. Contracts can be submitted via email, fax or mail. Email is the preferred media. Seller will acknowledge contract and provide notice of conflicts within 3 business days of receipt.

5. QUOTATION OF PRICE/TERMS: All written quotations of price and terms (“Quote”) made by the Seller will be valid for a period of thirty (30) calendar days after conveyance. Prices and terms are not subject to verbal changes or other agreements unless approved in writing by the Seller. 8. TERMS OF PAYMENT: Terms of payment shall be as set forth in the Quote, but shall be no longer than NET 30. Payment shall be rendered upon Buyer's receipt of products identified in the Contract. - Credit cards accepted by Seller are MasterCard and VISA.

Seller is not required to commence or continue its performance unless and until any required Payment Security is received, operative and in effect and all applicable Progress Payments have been received. For each day of delay in receiving Progress Payments or acceptable Payment Security, Seller shall be entitled to a matching extension of the schedule. If at any time Seller reasonably determines that Buyer's financial condition or payment history does not justify continuation of Seller's performance, Seller shall be entitled to require full or partial payment in advance or otherwise restructure payments, request additional forms of Payment Security, suspend its performance or terminate the Contract.

9. CHANGES: Each party may at any time propose changes in the schedule or scope of the contract. Seller is not obligated to proceed with any change until both parties agree upon such change to the contract in writing. Contract change shall describe the changes in scope and schedule, and the resulting changes in price, delivery and other provisions, terms and conditions, as agreed to.

10. CANCELLATION: Either party may cancel any Contract if the other party: (a) materially breaches the Order and does not take steps to correct such breach within thirty (30) days after receipt of written notice from the notifying party specifying such breach becomes insolvent, or enters or is placed in bankruptcy, receivership, liquidation, transfer of assets for the benefit of creditors, dissolution or similar proceeding, provided such event is not vacated or nullified within fifteen (15) days of such event; or (c) a significant portion of the assets of the other party necessary for the conduct of its business becomes subject to attachment, embargo or expropriation.

10.3 In the case where Buyer is the defaulting party, or where Buyer has terminated a Contract at its convenience in accordance with clause 9, SIL shall be reimbursed for all costs incurred by SIL as a result of such termination, including, but not limited to any vendor cancellation costs, plus a reasonable profit thereon, which costs will be due to SIL not later than thirty (30) days from the date of termination and shall be collectable by SIL through whatever means necessary. Further, upon such termination, the parties agree that any and all rights, title and interest in and to Foreground Intellectual Property developed and not paid for by the Buyer pursuant to this program will immediately be vested in SIL, and any and all limitations on the use thereof by SIL shall be immediately deemed null and void.

During times when performance is excused, all quantities of affected Product/Services set forth in Buyer's contract will be eliminated without liability and Seller will allocate its supplies of raw materials and product among their various uses in any manner that is fair and reasonable. Seller will not be obligated to obtain raw materials, intermediates or product from other sources or to allocate raw materials, intermediates or product from Seller's internal use. The foregoing provision shall in no event relieve Buyer of its obligation to timely pay in full a product invoice.

Seller shall (i) at its option, repair or replace defective Products and (ii) re-perform defective Services. If despite Seller's reasonable efforts, a non-conforming Product cannot be repaired or replaced, or non-conforming Services cannot be re-performed, Seller shall refund or credit monies paid by Buyer for such non-conforming Products and Services. Warranty repair, replacement or re-performance by Seller shall not extend or renew the applicable warranty period. Buyer shall obtain Seller's agreement on the specifications of any tests it plans to conduct to determine whether a non-conformance exists.

21.4 Buyer shall bear the costs of access for Seller's remedial warranty efforts (including removal and replacement of systems, structures or other parts of Buyer's facility), de-installation, decontamination, re-installation and transportation of defective Products to Seller and back to Buyer.

Failure to meet any such conditions renders the warranty null and void. Seller is not responsible for normal wear and tear.

21.6 This Article 21 provides the exclusive remedies for all claims based on failure of or defect in Products or Services, regardless of when the failure or defect arises, and whether a claim, however described, is based on contract, warranty, indemnity, tort/extra-contractual liability (including negligence), strict liability or otherwise. The warranties provided in this Article 21 are exclusive and are in lieu of all other warranties, conditions and guarantees whether written, oral, implied or statutory. NO IMPLIED OR STATUTORY WARRANTY, OR WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE APPLIES
